Title: Regarding National Institutes of Technology, Science Education and Research (Amendment) Bill, 2013.

MADAM SPEAKER: Hon. Members, the National Institutes of Technology, Science Education and Research (Amendment) Bill, 2013 has also been included in the Supplementary Agenda for consideration and passing. The Bill provides for conversion of the Bengal Engineering and Science University – Shibpur, West Bengal as Indian Institute of Engineering Science and Technology – Shibpur, West Bengal under the National Institute of Technology, Science Education and Research Act, 2007. The Bill concerns a large number of students studying in the Institute.

In the Business Advisory Committee meeting held yesterday, the Members were unanimous that this Bill be taken up by the House on priority.

I, therefore, propose that this Bill also be taken up before I bring the notices of No-Confidence before the House.
